	11 AM	Water Walking	Lap Pool
Friday	12 PM	Caregiver Support (Last Friday)	Room 2
	1 PM	BINGO (1st and 3rd Friday)	Cameron Woods

Water Aerobics

Water aerobics uses the natural resistance and buoyancy of water against your body, along with light water weights, to provide a wide variety of conditioning activity. No swimming required.

BINGO

Come and play BINGO, have fellowship, and win prizes! Popcorn and drinks will be provided.

Water Walking

Water walking uses the natural resistance and buoyancy of water against your body to provide a low impact workout. No swimming required.

Silver Sneakers - Cardio

We combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work with hand held weights, elastic tubing and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, stretching & relaxation.

Silver Sneakers - Strength

We combine fun with fitness to increase your muscular strength, range of movement, coordination, agility, and activity for daily living skills. Hand held weights, elastic tubing and a ball are offered for resistance. A chair is offered for either standing or seated support.

Low Impact Exercise Classes

Chair Yoga is a gentle, accessible form of yoga that involves sitting or standing while using a chair for balance or support.

Tai Chi is a gentle, low-impact exercise that combines slow, flowing movements with deep breathing and mindfulness. It helps improve balance, flexibility, and relaxation, making it great for all ages and fitness levels.

Lunch N Learn

Come and have fellowship, good food, and a great learning experience. See monthly calendar for topics and presenters.

Caregiver Support Group

This support group provides an opportunity for caregivers affected by Alzheimer's disease or Dementia to share their experiences and receive inspiration, guidance and support.
